Dear Mr Garrison

100 Thank you much for your letter. I and my Father are very sorry you will not be able to come here at present .. but look forward to seeing you on your return to England. I should not certainly let the distance to London weigh with me in preventing my coming up to see you if I had not the hope of meeting you in the autumn when my Father

and we shall be staying in London - and with this hope of seeing you in view. I hardly feel justified in coming to intrude on your last day (Monday) when you must be very fully occupied. I shall not therefore come - although perhaps as you go to Paris we may come to a junction station on the line to see you for a moment.

My friend Miss Ashley wishes me to say that she has received your letter and thanks you much for the photograph you sent her. We have already had the pleasure of seeing it -

Whether you come to Tunbridge Wells or not on your return - we shall continue to see you - and your family - Believe

me Dear Sir Yours

Yours very truly,*

E. Ashurst Biggs.

* I may say - with thanks too - for I cannot say how much I prize your letter -
